Correction to: A systematic review of stakeholder views of selection methods for medical schools admission

M. E. Kelly^{1*}, F. Patterson³, S. O'Flynn², J. Mulligan¹ and A. W. Murphy¹

Correction

Following publication of the original article [1], the author report typographical errors in the

Figure 1 Study Search Strategy and Review Process – the lowest box on the right hand side should read “Full-texts excluded with reasons (n=37)” instead of “(n=38)”

Page 3 of the text, column 2, paragraph 2, second-last sentence should be “Subsequently 71 records were included for full review and 37 excluded” instead of “Subsequently 70 records were included for full review and 38 excluded”

Author details

¹Discipline of General Practice, Clinical Science Institute, National University of Ireland, Galway, Ireland. ²University College Cork, Cork, Ireland. ³Work Psychology Group, Derby, UK.
