# Correction to: Exploring how medical students learn with the help of a digital presentation: a qualitative study

Mary Hyll<sup>1,2\*</sup>, Robert Schvarcz<sup>1,3</sup> and Katri Manninen<sup>3</sup>

## Correction to: BMC Med Educ

<https://doi.org/10.1186/s12909-019-1569-z>

Following publication of the original article [1], the author reported that Table 3 was given the incorrect heading.

### **Incorrect heading for Table 3 in the original article:**

Radiographic examination of BH (changes in bone height surrounding the implant).

### **Correct heading for Table 3:**

Overview of the sub-categories, categories, sub-themes and main themes which emerged in the study.

The original article has been corrected.
