# Correction to: How does 'banter' influence trainee doctors' choice of career? A qualitative study

David Wainwright<sup>1\*</sup>, Michael Harris<sup>1,3</sup> and Elaine Wainwright<sup>1,2</sup>

**Correction to: BMC Med Educ**

<https://doi.org/10.1186/s12909-019-1531-0>

Following publication of the original article [1], the authors reported an error in the first paragraph of the 'Results' section.

**First paragraph of 'Results' section in the original article:**

Twenty of 24 participants (83%) were female; nationally, 57.4% of FY2 doctors were female in 2014/5.

**Corrected first paragraph of 'Results' section:**

Seventeen of 24 participants (71%) were female; nationally, 57.4% of FY2 doctors were female in 2014/5.
